

Solve The Problems

PROBLEM 1:

What is the significance of the order of these numbers?

8 5 4 9 1 7 6 3 2 0

PROBLEM 2:

Wagner was taller than Uriah and shorter than Vivian. Yvonne was taller than Vivian. Zennia was taller than Uriah and shorter than Wagner. List their names in the order of their heights.

Problem 3:

This is a horse barn with ten stalls. You only have nine horses. Fill all the stalls with just nine horses.
