

# THOUGHTS TO PONDER

“Until you try, you don’t know what you can’t do.”

*Henry James*

“Give a man a fish and you feed him for a day.  
Teach a man to fish and you feed him for life.”

In the words of Shakespeare, echoed by Robert F. Kennedy:

“Some men see things as they are and say, why.  
I dream things that never were, and say why not.”

Man’s mind stretched to a new idea, never goes back to its original dimension.

“The trouble with not having a goal is that you can spend  
your life running up and down the field and never scoring.”

*Bill Copeland*

Success has no meaning without the possibility of failure. Victory has no appeal without the possibility of defeat. When someone is given the proper help and motivation, their success is ultimately up to them. You cannot drive anyone to success; they must be driven from within.
